## Structure of the Level A2 French exam

It consists of 4 parts:

### Listening, Speaking, Reading and Writing

The total duration of the exam is 120 to 165 minutes, with the first three parts taking place one after the other (1st Listening, 2nd Writing, 3rd Reading). There will be a minimum of 20 minutes of rest between the first three parts and the 4th part (Speaking), which can be done on the same day, or on a different day, with a maximum limit of 7 days after the other block has been completed.

### Listening (Duration 30-40 minutes)

Listening consists of 3 exercises, each of which is based on an audio recording that can be a monologue or a conversation between 2 or more people. Exercises include: multiple response, sentence completion, completion of charts, graphs or diagrams, and short answer in one or two sentences.

### Reading (Duration: 40-60 minutes)

It consists of 40 questions grouped in 3 sections. Each text is between one and two pages long and several questions are asked about it. The texts are actual excerpts from books, research articles, newspapers and scientific journals. The type of questions, as in the oral part, is highly varied: multiple answers, completing tables, graphs or diagrams, locating information in the text, indicating the writer's opinion, etc.

### Writing (Duration: 40-50 minutes)

This part consists of two exercises, a 30-40 word essay and a 40-50 word essay. For the 30-40 word essay, a short report on a piece of information provided to the examinee in any format (text, graph, table or diagram) is usually requested.

Regarding the 40-50 word essay, a piece of information is usually presented very briefly (a couple of lines), followed by a statement about it, and then the candidate is asked to explain whether they agree or disagree with the statement, briefly stating the necessary arguments. The second exercise accounts for two thirds of the "Writing" grade and the first exercise for one third.

**Speaking (Duration: 10-15 minutes)**

In this last part, a conversation is held with an examiner, and it is designed to be as realistic as possible. It is divided into 3 subsections. In the first, the candidate responds to personal, family and/or everyday questions. In the second, the candidate discusses a specific topic indicated by the examiner. In this case, the ability to produce a coherent and orderly discourse is valued.

In the third and last one, both the examiner and the candidate have a conversation on a specific topic, where oral interaction and discussion skills are assessed. The entire Speaking part is recorded for later review purposes.

Sections						
Duration	Skills	Observations	Items	Tasks	Time	Instructions
A2 120-165 minutes	Oral expression and interaction	Monologue and directed questions. Oral examinations must be recorded		Minimum 2	10-15 minutes	Instructions in mother tongue
